

AVERITT 55^{years}
Our Driving Force is People

ONE PARTNER.
ENDLESS
POSSIBILITIES.

THE POWER
OF ONE

**EVERYTHING
YOU NEED, ALL
IN ONE PLACE.**

When your supply chain works as one, everything moves faster, smoother, and smarter.

That's the advantage of working with a single provider who can support your supply chain from end to end.

At Averitt, we unify five core services – LTL, Truckload, Dedicated, Distribution & Fulfillment, and Integrated and Global Services – to give you the flexibility of a full network, with the simplicity of a single point of contact.

You get better visibility. More control. And the confidence that every mile, move, and delivery is backed by one of the most trusted teams in the industry.

Wherever you're going, Averitt gets you there – with **The Power of One.**

AVERITT
LTL

Award-winning LTL that keeps your business moving.

Since 1971, Averitt has been helping shippers grow and succeed with our industry-leading LTL services. With thousands of drivers and associates and over 100 distribution centers, our network is one of the largest in the nation – and our cost-effective, reliable, and flexible LTL solutions have your supply chain covered.

Visit Averitt.com/LTL to learn much more about our industry-leading LTL solutions.

REGIONAL

Backed by the most robust regional LTL network in the country, you can be sure your shipments are in good hands.

NORTH AMERICA

From the U.S. to Canada, Mexico, and Puerto Rico, our North America LTL services deliver seamless coverage through trusted partnerships with proven high-quality LTL providers.

FINAL MILE

We offer a variety of residential delivery options ranging from standard doorstep delivery to customized white glove services – all providing direct pickup and delivery to your customers.

LOCAL CUSTOMIZATION

Unique, local challenges call for innovative, local solutions. That's why you can depend on Averitt to deliver flexible, creative, and customized solutions that go beyond traditional LTL and TL offerings.

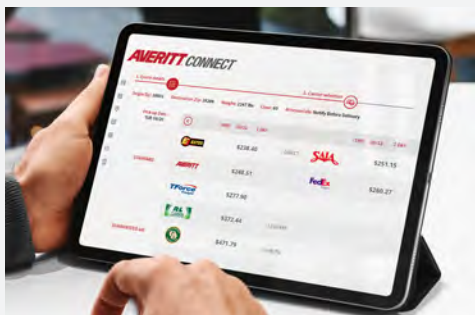

GUARANTEED & EXPEDITED

Powered by 99% or better on-time performance, our expedited ground and air services are customized to meet your time-sensitive needs, including Guaranteed by 5 and Guaranteed by Noon delivery options.

POOL DISTRIBUTION

For customers moving freight long distances, we can combine truckload or intermodal services with LTL – delivering greater customization while reducing overall transportation costs.

AVERITT CONNECT® TMS & EXACTRATE®

Averitt Connect lets you shop for LTL rates across multiple carriers, then book and track shipments directly through the online portal. All with no middleman and no added fees. Visit **AverittConnect.com** to learn more.

With Averitt ExactRate dynamic pricing, you have the power to make more informed decisions with Averitt rates that are based on real-time market dynamics. Visit **Averitt.com/ExactRate** to learn more.

AVERITT[®]
TRUCKLOAD

Full loads. Zero hassle.

When it comes to maximizing capacity, no carrier on the road can match Averitt. Backed by the most modern over-the-road dry van fleet and technologies, including capabilities like our drop and hook services and hazmat-capable drivers, we can help you improve transit times and reduce costs on full load shipments throughout North America.

Cross-town, cross-state, cross-country, or cross-border, we have everything it takes to keep your freight – and business – moving smoothly.

Visit [Averitt.com/Truckload](https://www.Averitt.com/Truckload) to learn how we can serve all your truckload needs.

DRY VAN

Our award-winning dry van truckload services provide the regional full load capacity and visibility your business needs, with the added flexibility of a North America truckload brokerage network to find reliable capacity outside of our asset-based network. Shipping hazmat? With more than 80% of our drivers hazmat-certified, our teams are ready to move nearly any commodity.

EXCLUSIVE TRUCK

When your full load shipments require speed and control, our exclusive truck solutions move your freight directly from pickup to delivery without delays or transfers.

PRODUCTION & EVENT LOGISTICS

From stage setup and takedown to moving event equipment across the country, our On Tour Logistics team provides customized solutions for the production and entertainment industries. Visit **OnTourLogisticsServices.com** to learn more.

DROP & HOOK

With our drop and hook service, our drivers deliver trailers to your dock and then pick up loaded trailers for final delivery and distribution, providing unparalleled flexibility for operations.

DRAYAGE & TRANSLOAD

Serving major ports and rail hubs across the country, our drayage and transload capabilities help keep containerized freight moving efficiently between ocean, rail, and truck networks – often in coordination with our Distribution & Fulfillment services.

INTERMODAL

Through our Integrated Services team, Averitt offers intermodal TOFC and COFC solutions across North America, leveraging strong rail partnerships and access to extensive rail container capacity.

AVERITT
DEDICATED

The background image shows an aerial view of an Averitt truckload facility. In the foreground, three red Averitt semi-trucks are parked in a lot. Behind them, a large, modern, light-colored building with the Averitt logo on its facade serves as the main office. To the left of the building, a long row of white semi-trailers is parked. In the background, a large parking lot is filled with many more red and white trucks, indicating a large-scale operation.

Fleet solutions that fit.

As one of the few providers of dedicated services operating both an LTL distribution network and a truckload fleet, Averitt is uniquely positioned to serve as a direct extension of your business.

From hiring and training staff, to systems management, to specialized equipment, we offer comprehensive solutions tailored to your specific needs – whether in the form of a pure dedicated fleet or an integration of your existing fleet with our distribution network and over-the-road assets.

Whatever your needs, we'll help you land on your fleet – with the right fit, the right scale, and the right strategy to move your business forward.

Visit Averitt.com/Dedicated to learn why our dedicated fleet solutions may be the perfect fit for your business.

DRY VAN

With thousands of dedicated dry van trailers, tractors, and drivers, our team has one goal in mind – protecting your brand and allowing you to focus on what matters most: your products and your customers.

FLATBED

Our team has years of experience helping companies just like yours by providing dedicated flatbed services with state-of-the-art equipment and professional, uniformed drivers who act as an extension of your business at pickup and delivery.

CUSTOMIZED TRAILERS

As an extension of your brand, Averitt can provide customized trailers and equipment ranging from flatbeds to dropframes, Conestogas, and curtain sides.

REFRIGERATED

For businesses that handle temperature-sensitive products, our team can provide dedicated refrigerated fleet services to protect your freight from point to point.

YARD MANAGEMENT & LOCAL SHUTTLE

Our yard management and local shuttle services can keep trailers positioned and freight flowing efficiently between your docks, yards, and nearby facilities.

AVERITT **DISTRIBUTION & FULFILLMENT**

Scalable. Streamlined. Simplified.

Ranked #1 in the nation for Distribution & Fulfillment in the 2025 Quest for Quality Awards, Averitt delivers the kind of control, speed, and scalability today's supply chains demand. From inventory management and warehousing to order fulfillment and final-mile delivery, we design end-to-end solutions that simplify logistics and strengthen your business from the inside out.

With flexible space, advanced technology, and integration across our transportation network, we help you move smarter, deliver faster, and stay focused on what's next.

Visit [Averitt.com/Distribution](https://www.averitt.com/Distribution) to learn how Averitt can help streamline your Distribution and Fulfillment operations.

WAREHOUSING

With over 3.2 million square feet of distribution and fulfillment space plus over 1.6 million square feet of cross-dock space across dozens of facilities, our team can handle your freight staging needs and position your business for quick delivery across your key markets. No long-term contracts, providing short-term flexibility and the ability to scale up or down quickly.

AVERITT PORTSIDE®

Our Averitt PortSide® solutions combine port-adjacent warehousing, inventory processing, and inland transportation to support inbound and outbound international freight – fully integrated with our Distribution & Fulfillment operations and WMS platform.

DRAYAGE & TRANSLOAD

Our drayage and transload services support containerized freight moving through major ocean ports, inland ports, and rail ramps. With asset-based dray drivers and company-owned chassis, we help ensure efficient container flow into your distribution network.

E-COMMERCE & ORDER FULFILLMENT

Through platform integrations and customized data feeds, we deliver e-commerce fulfillment solutions supporting omnichannel distribution, large-item shipments, DC-bypass strategies, and direct-to-consumer parcel and freight delivery.

WAREHOUSE MANAGEMENT SYSTEM (WMS)

Powered by Extensiv, our robust WMS provides anytime, anywhere visibility, complete inventory control, and up-to-the-minute informational accuracy – helping you maximize inventory efficiency while reducing overall supply chain costs.

AVERITT
INTEGRATED

Solutions without borders. Integration without limits.

Today's supply chains don't stop at the dock – or the border. That's why Averitt offers fully integrated solutions spanning modes, regions, and even continents, bringing together multiple services that are easy to book, reliable to execute, and designed to blend seamlessly with other Averitt capabilities. Whether you need international customs clearance, intermodal, expedited air freight, or specialized handling, our services connect the pieces and keep your business moving.

From local delivery to global reach, we tie it all together – seamlessly.

Visit [Averitt.com/Integrated](https://www.averitt.com/integrated) to learn how Averitt can fulfill all your interconnected logistics needs.

NORTH AMERICA TRUCKLOAD

Whether you need van, flatbed, refrigerated, or heavy haul capacity anywhere in North America, our brokerage services offer quick access to reliable transportation solutions that you can always count on to deliver.

EXPEDITED GROUND & AIR

When time is of the essence, you can utilize the expertise and dependability of Averitt's Expedited Ground and Air Cargo Solutions to ensure that your shipment reaches its destination by truck, air, or even hand-carry solutions.

INTERNATIONAL OCEAN & AIR

When you ship with Averitt, there are no borders. We provide global import and export transportation services through major ports and airports worldwide.

Wherever your cargo is headed, our global connections, visibility technology, and logistics expertise help ensure it arrives safely.

CUSTOMS BROKERAGE

Our licensed customs experts ensure fast, compliant clearance for all your international shipments, providing real-time visibility and seamless support to keep global supply chains moving.

INTERMODAL

As an approved IMC, Averitt provides door-to-door intermodal solutions across North America. Combined with Averitt-owned equipment and rail partnerships providing access to more than 158,000 containers, our team can help move freight efficiently while reducing CO₂ emissions by more than 30%.

SPECIALIZED SERVICES

When it comes to handling unique freight, our Specialized Services team can provide customized special project management, trade show delivery, specialized equipment, white glove services, and more.

CROSS-BORDER NORTH AMERICA

From Guadalajara to Memphis to Toronto, our team ensures your shipments move seamlessly throughout North America – no matter which side of the border they are on. Through our network of highly vetted partner carriers in Canada and Mexico, we support all transportation modes with the same level of confidence you expect from Averitt domestically.

AVERITT ENTERPRISE®

Want to focus more on business rather than logistics? Our team also specializes in dedicated transportation and supply chain management. Visit **[AverittEnterprise.com](https://www.AverittEnterprise.com)** to learn more.

**TRUSTED
FOR THE
LONG HAUL.**

Since 1971, Averitt has helped reshape supply chains through service that's grounded in trust, powered by people, and driven by purpose.

What began with three trucks and two associates has grown into a global logistics network – serving companies down the road and around the world.

That kind of growth reflects years of focus, teamwork, and trust – from associates who move in the same direction, and from customers who share our commitment to professionalism, integrity, and heart.

We know that every person and every partner plays a role in our shared success. And we never stop looking for new and better ways to serve those we work alongside – whether internally or externally.

We're proud of the past we've built together. But we're even more excited for what comes next: a future shaped by strong relationships, smart solutions, and a commitment to delivering excellence every day.

**DELIVERING
MORE.
TOGETHER.**

**St. Jude Children's
Research Hospital**
Finding cures. Saving children.
— ALSAC — DANNY THOMAS, FOUNDER

Richard C. Shadyac
ALSAC Tower

At Averitt, we do more than move freight. We help move communities forward.

We refer to these efforts as “Delivering More” – lending a hand, sharing our time, and giving generously to the people and causes that matter most. Through financial contributions, hands-on volunteering, uniform recycling, and more, our team is united by a shared commitment to making a difference.

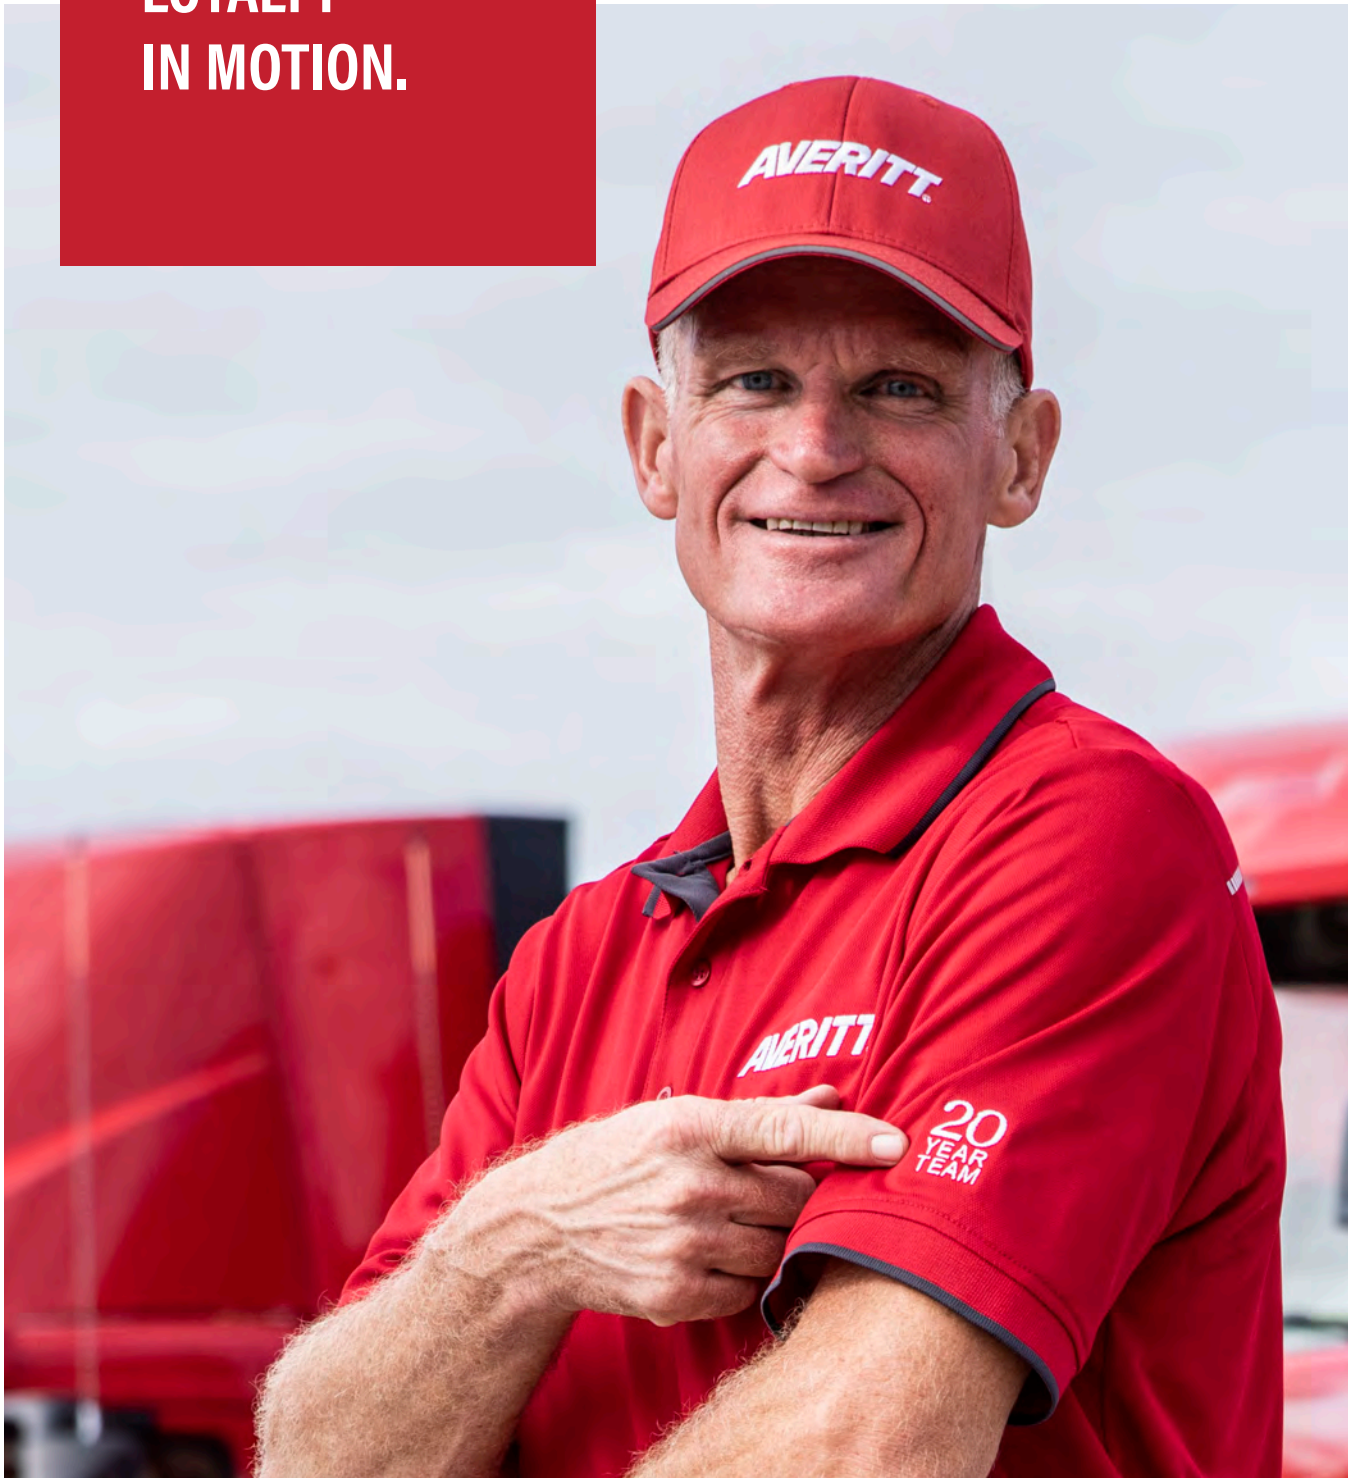

Since 1986, Averitt has contributed more than \$18 million to charitable organizations. In 2025 alone, our associates donated \$1,400,001 to St. Jude Children’s Research Hospital through Averitt Cares for Kids – a program that funds our nonprofit organization, Averitt Charities, through associate contributions and company matches recognizing our associates’ volunteer service hours and honoring our associates’ achievements, life events, and milestones.

Our team has also given back nearly 138,000 hours of community service through our Team Up Community Challenge – supporting over 200 local organizations across our network.

These programs and others reflect a simple truth: When we come together, we can do more – for each other, for our communities, and for the future.

**LOYALTY
IN MOTION.**

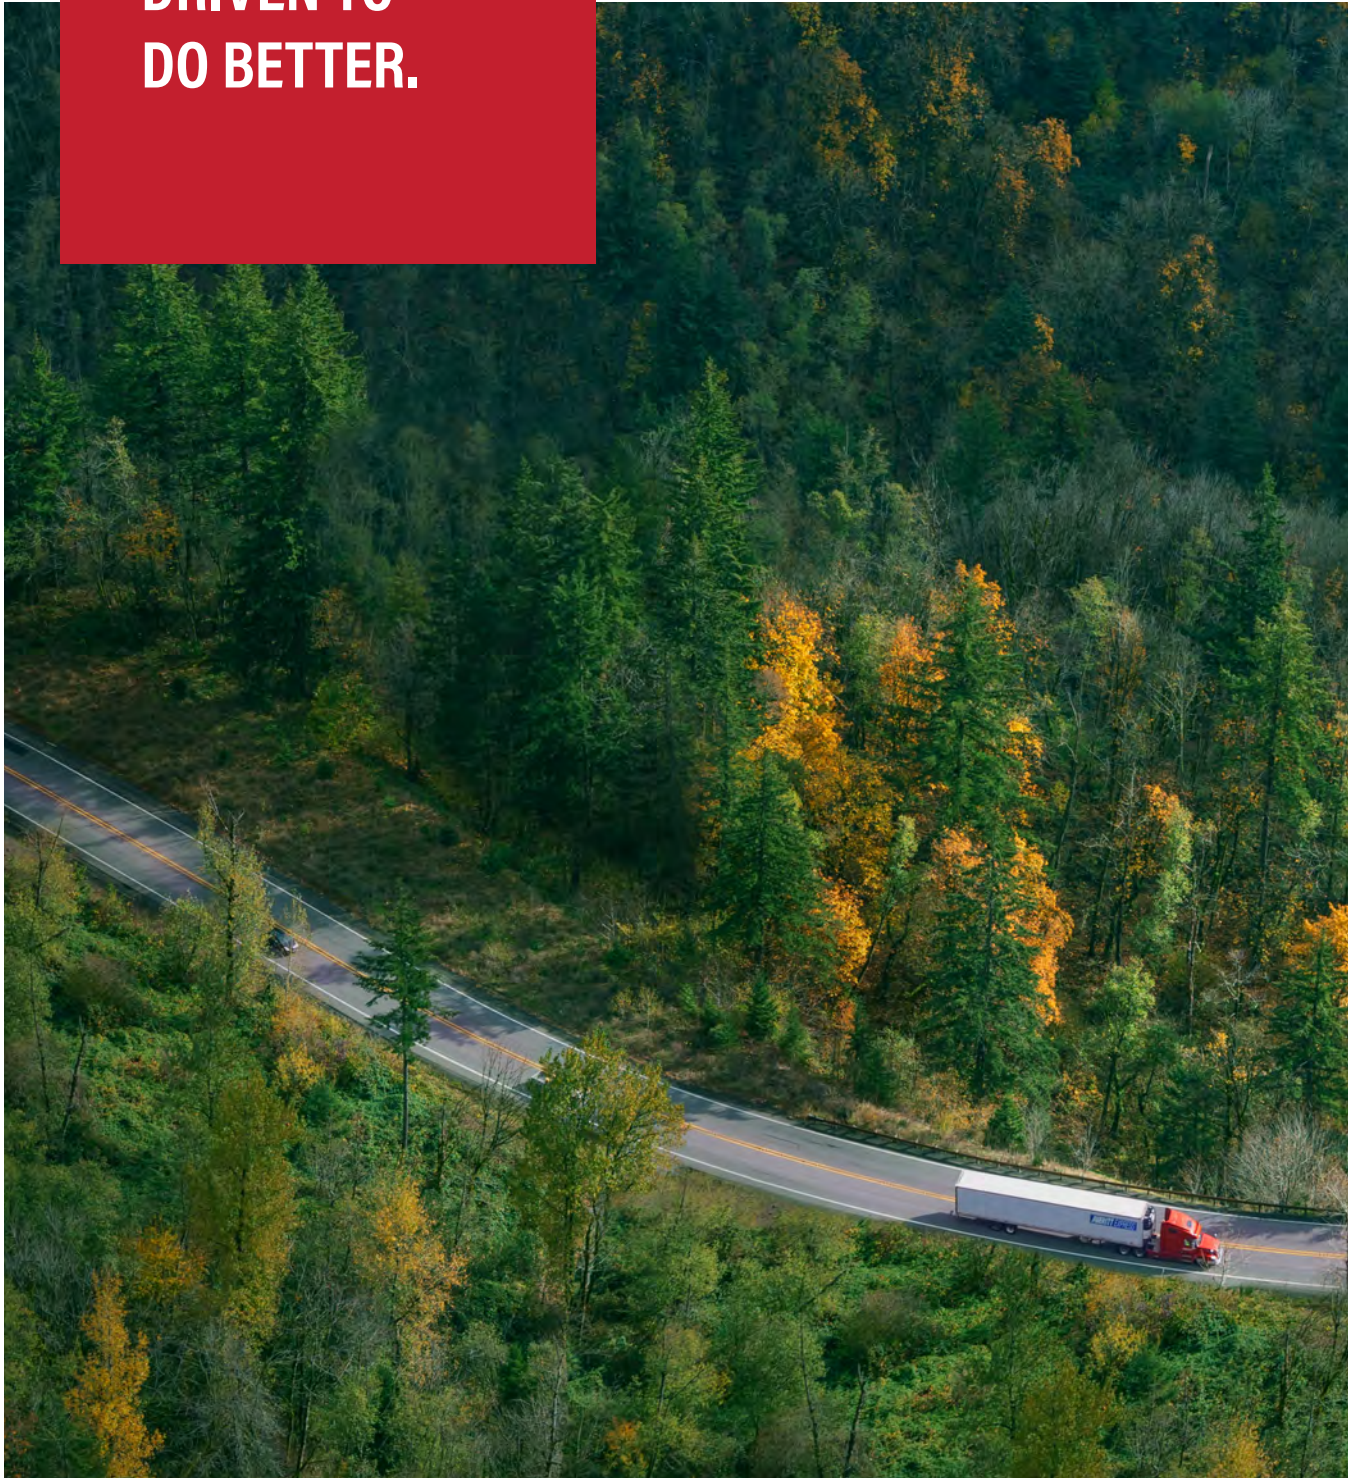

Our driving force is people. And nothing embodies their commitment like our Over 20 Team.

As the name implies, the Over 20 Team consists of associates who have been with Averitt for 20 years or longer. This team – which represents over 22% of our workforce – covers every role in the company: drivers, dock associates, mechanics, customer service specialists, leadership, and more.

We're proud to have built a culture and an environment where people not only want to work but also want to stay. We have team members who've celebrated 30, 40, and more years as part of the Averitt family. That commitment pays enormous dividends for our customers in the form of invaluable experience and a truly dedicated team.

The devotion to excellence that our associates show – to their fellow team members and to our customers – has helped make Averitt a globally recognized leader in the transportation industry and a trusted partner for customers both in and out of the South.

**DRIVEN TO
DO BETTER.**

We know the way we operate today helps shape the world we'll share tomorrow.

At Averitt, we believe progress and responsibility go hand in hand. That mindset guides everything we do – from how we serve our customers to how we invest in cleaner equipment, energy efficiency, and shared-value partnerships that benefit our communities and our planet.

In recognition for our stewardship, our team has been honored with multiple awards from the industry and our community. And while we're proud of those achievements, we know the real impact goes beyond awards. It's about doing the daily work – finding smarter ways to reduce our carbon footprint, conserve resources, and create a more sustainable future.

We also know that progress takes more than good intentions. It takes collaboration, innovation, and a culture that's willing to challenge old habits. Whether it's exploring new technologies, shaping industry policy, or building a more resilient supply chain, we're focused on practical solutions that make a lasting difference.

THE POWER OF ONE

For over half a century, Averitt has been helping our customers succeed.

We do it through a powerful network of innovative transportation and logistics services that delivers everything you need to plan, pack, move, manage, deliver, and distribute your shipments all in one place. With Averitt, you don't have to juggle multiple contacts or multiple invoices – our unique infrastructure allows us to provide a full range of logistics and transportation services all under one highly respected roof.

No matter what your transportation needs may be, and no matter how complicated the logistics, Averitt's talented and committed team of associates is here to get the job done right – with offerings like LTL, Truckload, Dedicated, Distribution & Fulfillment, and Integrated and Global Solutions that help tie everything together.

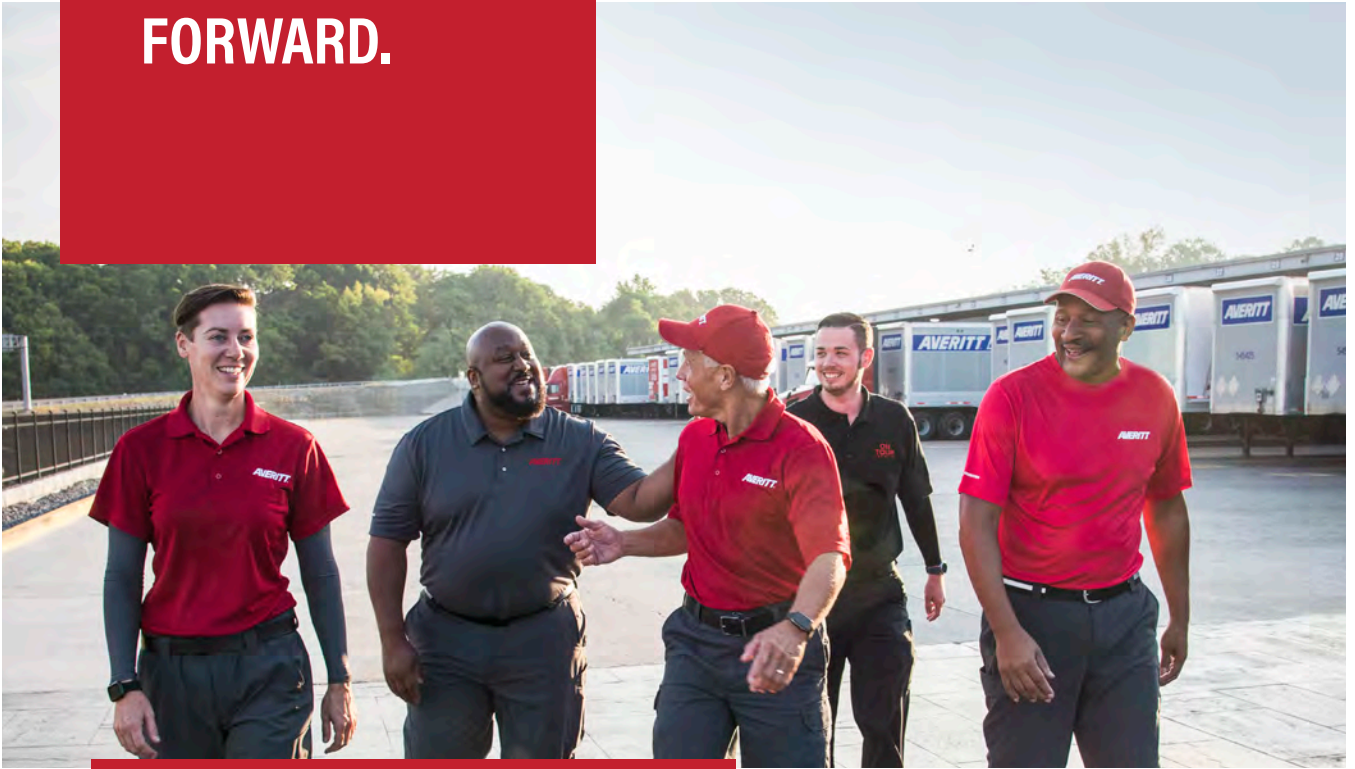

So whether you need to make a local move fast or are on a mission to get a shipment halfway around the world, count on Averitt for powerful and creative logistics solutions that will get your cargo there on time and intact.

One partner.

Endless possibilities.

That's The Power of One.

**STILL MOVING
FORWARD.**

At Averitt, one partner brings endless possibilities to your supply chain.

And we've built the tools, the team, and the network to make them possible – with speed, reliability, and service you can count on at every turn.
