

DELIVERING TO AI DATA CENTERS FROM THE GROUND UP

Mission-critical infrastructure Delivered with precision

Supporting AI data center projects across key U.S. markets, Averitt delivers secure, flexible logistics for mission-critical infrastructure and high-value technology. From construction through ongoing operations, we adapt to complex site requirements and changing timelines—scaling with your needs at every phase.

What We Offer for AI Data Centers:

- Secure transportation for high-value equipment and infrastructure
- Flatbed, step-deck, and specialized capacity for oversized freight
- Flexible delivery models for active, secure job sites
- Warehousing, staging, and reverse logistics support
- Expedited ground and air for time-critical freight
- Intermodal/rail coverage across North America

Network Snapshot:

Asset-based LTL, truckload, dedicated, and drayage fleets

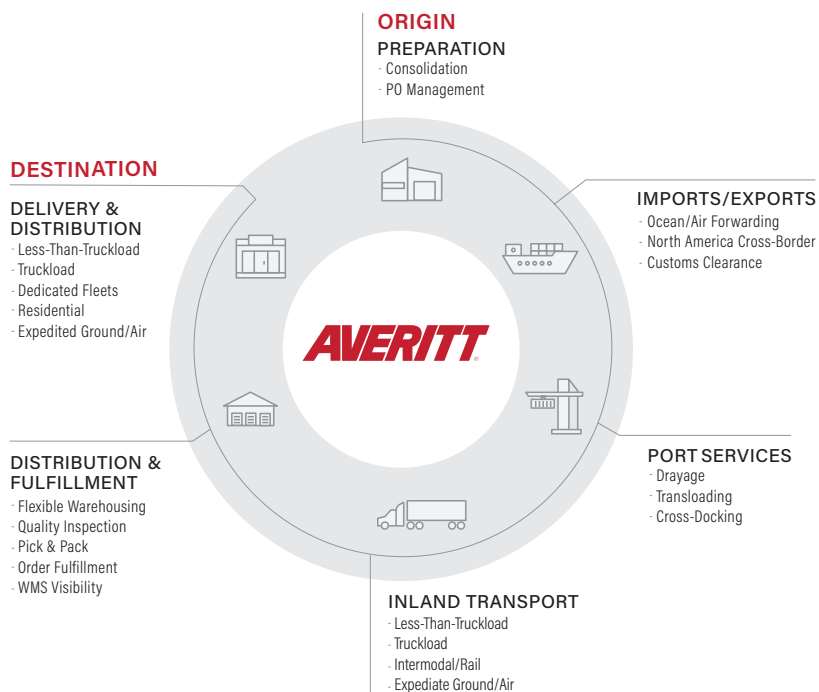

Nearly 5 million sq. ft. of warehousing and distribution space

24/7 customer service, centralized in the U.S.

SUPPORTING AI DATA CENTERS AT EVERY STAGE.

Whether You Need A
Single Service Or
End-To-End Support,
Averitt Connects Every
Link In Your Supply Chain.

Whether you require a single service or integrated execution, Averitt delivers reliable logistics tailored to complex, high-security environments.

THE POWER OF ONE

Inventory & Staging Support

- Receiving and quality checks for equipment
- Inventory visibility for staging and deployments
- Secure storage locations near active job sites
- Consolidation and deconsolidation services

Transportation & Delivery

- LTL and FTL fleets for secure transportation
- Specialized equipment for oversized power and cooling assets
- Reusable, modular crating systems with location and condition monitoring for high-value products
- Expedited ground and air for time-critical shipments
- International ocean and air support

Averitt simplifies logistics through a single point of contact and coordinated execution—so complex projects stay on schedule and under control. **One Partner. Endless Possibilities. That's The Power of One.**
